A PUREBRED DRIVER'S CAR.

Rapide S is the world's most beautiful four-door sports car. Created with the finest ingredients, conceived with a unique vision, it combines sensational sports car performance and supreme refinement in one compelling form. The latest detailed evolution provides an even greater breadth of ability. Ground-breaking and yet possessed of timeless beauty, Rapide S is sublime, thrilling and every inch an Aston Martin.

DESIGN

SEEK PERFECTION IN EVERY DETAIL.

Each and every Aston Martin must possess beauty, elegance and proportion. Rapide S encapsulates those qualities in a four-door shape that mixes indulgence and tension with exquisite harmony. Inspired by the aesthetic of our iconic two seat coupes, re-imagined as a four-door with an almost magical purity of line, Rapide S is cohesive, graceful and unmistakably Aston Martin.

The confidence of the distinctive grille design creates an assertive presence for Rapide S, a theme that is carried through in every detail. Yet while Rapide S has intrinsic presence it is balanced with classic proportions and elegant lines that bring an aura of immaculate understatement and deft subtlety. Melding these apparently contradictory themes with such artful harmony is key to realising the world's most beautiful four-door sports car.

PERFORMANCE PUSHING THE BOUNDARIES.

Challenge creates solutions, speeds the rate of evolution and ensures that every Aston Martin is true to our core values. Our four-door sports car needed a challenge and in 2010 it faced the toughest of any in motorsport: the gruelling Nürburgring 24 hours. Against a field of 200 purpose-built racing cars on the world's greatest

racetrack a near-standard road-registered Rapide ran fast and faultlessly for a day and a night. The Rapide achieved second in class and 34th overall. Rapide S is faster, more sophisticated, more responsive and even more durable thanks in part to lessons learnt in that extraordinary race.

COOL DELIVERY, SEARING PACE.

The heart of Rapide S is a cultured quad-cam 6.0-litre V12. Marrying sumptuous accessibility with supreme ultimate performance, it perfectly represents the dual personality of Rapide S. Producing a scintillating 560 PS (552 bhp) and 630 Nm the V12 is eminently accessible and capable of soaring performance.

Controlled by a new highly sophisticated Bosch engine management system and partnered with the all-new

eight-speed Touchtronic III automatic transmission, Rapide S is faster, more responsive and cleaner than ever before. The result is a generous spread of effortless performance coupled with the assurance of emphatic overtaking ability whenever you need it. When you want to reveal the sports car within, Rapide S will cover 0-60 mph in 4.2 seconds and can achieve an incredible 203 mph, while CO2 emissions and fuel consumption are improved.

PERFORMANCE

V12

6.0 LITRE

130 MS

QUICKEST GEARSHIFT DURATION

8 RATIOS

TWELVE TO THE POWER OF EIGHT.

Rapide S has been transformed by the highly advanced eight-speed Touchtronic III automatic transmission. Like the car, Touchtronic III has a comprehensive skill set – capable of shifting gears in as quick as 130 milliseconds for ultimate response, but simultaneously improving refinement and economy. Eight ratios ensures that the 6.0-litre V12's innate qualities are fully realised. Shorter lower ratios improve acceleration while the relaxed gait of ratios 7 and 8 reduce revs for near-silent cruising capability.

Touchtronic III features four driving modes; Drive, Drive-Sport, Paddle and Paddle-Sport, it also features Adaptive Drive Recognition that allows it to intelligently adapt to driver's inputs and driving style. The result is totally intuitive and highly efficient. A further unseen but tangible benefit is its lower mass, which benefits driving dynamics still further.

1

Front engine configuration with Touchtronic transaxle provides superb balance and progressive dynamics

2

Revised torque tube linking engine to Touchtronic III transmits less noise to the interior for greater refinement

3

Eight ratios but 3% lighter than previous transmission with benefits to agility and comfort

PERFORMANCE

Peak power

552 *BHP*

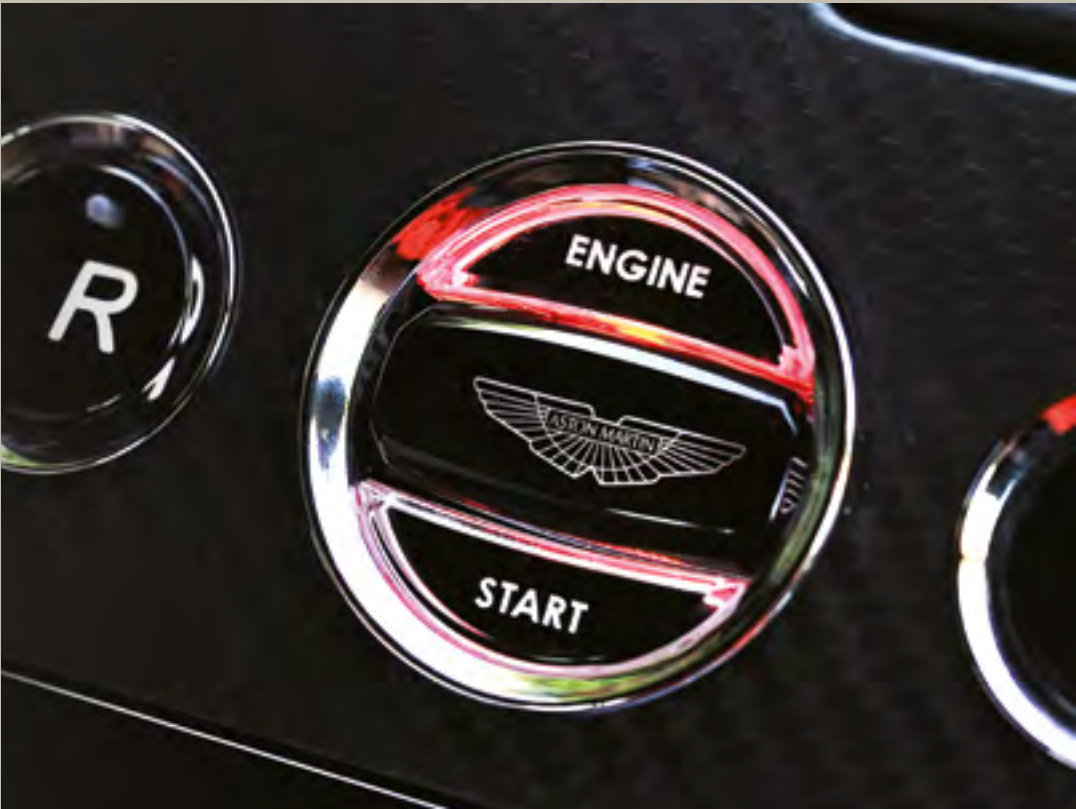

Torque

630 *Nm*

0-60 mph

4.2 *SECONDS*

THE SOUND OF SPEED.

There is nothing more satisfying than the response and sound of a normally aspirated 6.0-litre V12. Rapide S is imbued with an effortless sense of the exotic because of its beating heart. And the V12's sonorous howl conveys the easy delivery but epic scale of the performance on tap inside the car and to those lucky enough to be watching and listening on from the exterior. Rapide S is a rolling piece of theatre, performed by one, enjoyed by many.

PERFORMANCE

EFFORTLESS POISE,
ULTIMATE CONTROL.

It is not just the outright pace of Rapide S that makes it so imperious, but the way it is deployed. Developed to fully exploit and perfectly complement the tremendous reserves of accessible performance, the Rapide S advanced suspension and braking systems are paragons of control, power and precision.

When driving alone you will love the way the 3-stage Adaptive Damping System (ADS) can be configured to deliver true sports car handling, yet when comfort is a priority it effortlessly assumes the role of the consummate luxury car.

New larger 400 mm diameter front discs deliver enhanced progressive stopping power with immense resistance to the effects of brake fade. A retuned 3-stage DSC stability control system works seamlessly with the new gearbox for ultimate reassurance. Optional lightweight forged alloy wheels reduce unsprung and rotational masses to further improve ride quality, steering response and feedback.

50.1%

49.9%

ENGINEERING PERFECT BALANCE FOR NATURAL BORN ATHLETICISM.

Positioning the 6.0-litre V12 engine behind the centreline of the front wheels and mounting the new and lighter eight-speed Touchtronic III transaxle at the rear, concentrates the major masses within the wheelbase of Rapide S and achieves a near-perfect weight distribution. This has the twin benefits of optimising agility and delivering consistent, confidence-inspiring handling on all roads and in all weathers.

BEAUTY THAT IS MORE THAN SKIN DEEP.

Rapide S is infused with confidence and defined by its stunning sense of purity and proportion, but its unmistakable silhouette is just the starting point for you to imagine your version of the world's most

beautiful four-door. Quietly understated or exuding joyous charisma, the Rapide S is yours to interpret as you wish.

SHARED
INDULGENCE
FREEDOM
REDEFINED.

THE FUSING OF FORM AND FUNCTION.

Assertive, confident, bold and yet perfectly proportioned, Rapide S has a purity of purpose that belies its broad capabilities. That strength of character is infused into the

details that define Rapide S. Details like the assertively styled full-face aluminium grille and elongated side gills that hint at the power within.

At the rear the tailgate features an aggressively upswept ‘flip’ to create a dynamic profile and increase aerodynamic stability at high speed. Below, an aerodynamic diffuser has been integrated into the rear

valance to better manage the airflow exiting beneath the rear of the car, and to mirror the boldness of the overtly sporting frontal treatment.

INTERIOR LUXURY IMMERSE YOURSELF IN A NEW WORLD OF OPULENCE.

If to catch sight of a Rapide S is to be uplifted, then to slide into its interior is to be enveloped by a space of extraordinary tranquillity. Stunning design flows from the sweep of the centre stack to the beautifully trimmed luggage area, authentic materials interplay with a carefree lightness of touch and, instantly, driver and passengers relax. Welcome to your Rapide S.

INTERIOR LUXURY

A JOY FOR PASSENGERS.
A SENSATION FOR THE DRIVER.

One of the truly unique qualities of Rapide S is that while it pays close attention to the needs of its passengers, it never forgets that an Aston Martin is a car for drivers. With perfect alignment of seat, steering wheel and pedals, and an inspiring view over that long, graceful bonnet, the driving environment is every bit as driver-orientated as that of our more focussed Sports, GT and Super GT models.

Clear design, tactility and a sense of connection are paramount, and from the moment you slip behind the steering wheel you feel in total command of Rapide S. Intuitive ergonomics, fine visibility and the sensory satisfaction of materials such as glass switches are thoughtful and satisfying, completing a driving experience so immersive you will forget you are in a four-seat sports car.

IMAGINATION TO EXCITE THE SENSES.

To travel in the Rapide S is to be immersed in a uniquely spacious and indulgent environment. An environment defined by you from the vast array of interior colour, trim and detailing options – including the new Piano Ice

Mocha finish, quilted leather patterns, Alcantara® options and a selection of duotone perforated leathers. Create a lavishly opulent escape or a focused sporting ambience and let Rapide S fire your imagination.

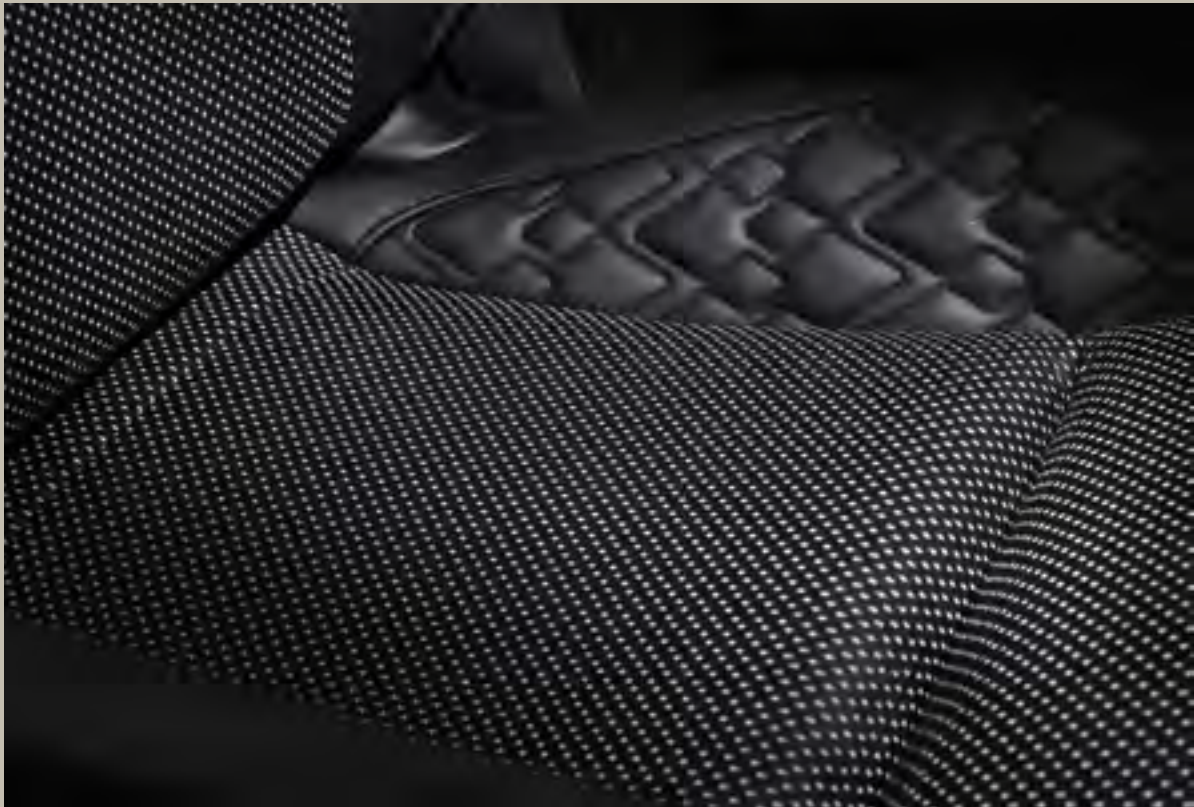

THE GLAMOUR OF PRIVATE AIR TRAVEL WITHOUT EVER LEAVING THE GROUND.

Fashioned from the same fine materials with the same obsessive attention to quality and detail, the rear passengers' compartment of the Rapide S is just as enticing as the front. Individually sculpted seats provide ample support, yet are yielding enough to be comfortable over extended distances.

The raised sweep of the central console serves as a built-in armrest as well as somewhere to stow drinks. Zoned air conditioning ensures rear seat passengers can enjoy their own climate independent from that of those in the front.

UNMATCHED CRAFTSMANSHIP.
SUPREME COMFORT.

Aston Martin’s long history of bespoke, hand-made luxury is palpable in the fine execution of every detail inside the Rapide S. Using the finest leathers, a vast array of woods and other luxurious materials, each cabin is crafted by hand with passion and absolute precision. For example, in an embroidered ‘AML’ logo there

are over five thousand stitches applied to create the desired finish. With over three million available combinations of trim, this extraordinary space can portray a myriad of moods and sensations. Created by your imagination, executed by craftspeople in time-honoured tradition.

MUSIC TO MOVE YOU.

Sound system by Bang & Olufsen

If the sound of a creamily cultured yet savagely powerful 6.0-litre V12 is not enough entertainment, Rapide S is equipped with a specially developed Bang & Olufsen sound system. With 1000 watts of amplification and an array of 15 perfectly positioned speakers, the Bang & Olufsen system delivers a sensational listening experience with a clear and natural tone, bringing your favourite music to life as never before.

Bang & Olufsen’s highly skilled ‘tonmeisters’ have expertly shaped the delivery by balancing over 2000 tuneable parameters to achieve the perfect experience. Sound replication is maintained in all driving conditions through imperceptible equalisation adjustments determined by algorithms that utilise multiple vehicle sensors, including an in-car microphone. Every nuance is captured, every emotion conveyed.

Acoustic Lens Technology

The Bang & Olufsen systems for Aston Martin include two moving acoustic lenses mounted at each side of the dashboard. When the

sound system is activated, each acoustic lens elevates slightly and elegantly from their position below the dashboard. The lenses ensure

a wide, 180° horizontal dispersion as well as preventing vertical artefacts, therefore assisting in imaging and sound staging.

Patented Acoustic Lens Technology Geometry

High frequency tweeter

Acoustic Lens house with moving mechanism

Rubber isolators prevent vibrations being transmitted

Closed speaker cabinet

The specialised use of closed speaker cabinets considerably enhance crispness of audio replication as well as improving privacy inside the car by reducing the amount of sound transmitted externally.

CONCERT HALL, MOVIE THEATRE, THE BEST SEATS IN THE HOUSE.

For the ultimate 'in-flight' experience look no further than the optional rear seat entertainment system. Featuring individual screens mounted in the back of the front seat head restraints, which take a feed from the 6-disc in-car DVD player. Wireless headphones and remote control ensure maximum convenience and viewing pleasure.

FOUR-DOOR
CONVENIENCE
AN APPETITE
FOR CROSSING
CONTINENTS.

FOUR-DOOR COMFORT

FOUR DOORS. FOUR SEATS.
A COUPE WITHOUT
COMPROMISE.

The shape speaks of agility, thrills and uncompromised glamour but Rapide S skilfully weaves function into its stylish form. With a quartet of swan-wing doors that sweep up and out from the door apertures for optimal ingress and egress, four adults can be accommodated with impressive ease and in perfect comfort.

In the front, multi-adjustable seats provide comprehensive support for driver and passenger, while in the rear, the cleverly sculpted headlining and front seat backs maximise available head and knee-room within the beautifully designed and appointed rear passenger compartment. Rapide S is an experience to be shared.

FOUR-DOOR COMFORT

INTRINSICALLY PRACTICAL. THE COMPLETE LUXURY SPORTS CAR.

The driving experience demonstrates that Rapide S is a car of wildly divergent abilities – one moment a precise sports car, the next a hushed luxury express. We know you will want to enjoy it every day, so we have designed Rapide S to offer the functionality to make that possible and convenient.

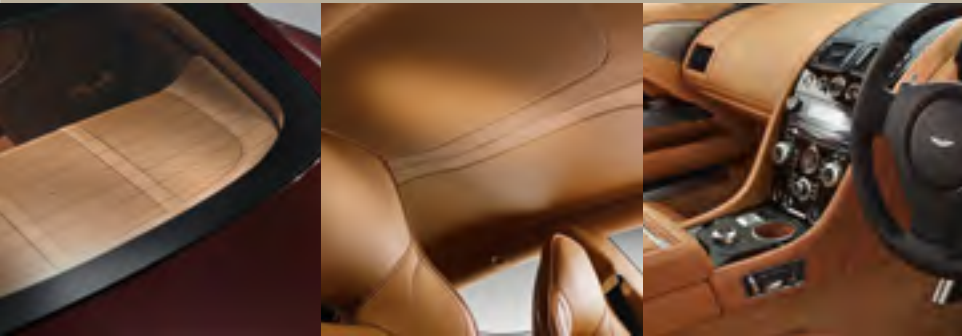

Accessed via a large tailgate, the wide, flat luggage area is generous and will accommodate everyday luggage without encroaching on the rear passenger environment. However, if you need to transport something out of the ordinary or you are packing for an extended touring holiday for two, the Rapide S rear seats can be folded to triple the available luggage space. In so doing a cavernous load area is created, perfect for swallowing bulky sporting equipment such as golf bags or sets of skis.

DESIGNER’S CHOICE

Take inspiration for your perfect Rapide S with this selection of both sporting and luxury colour and trim combinations

DIVINE RED

THE SPORTS CAR WITHIN – The classic and evocative sports car aesthetic, combining Divine Red exterior with Sahara Tan leather and sophisticated Piano Black trim

Additional Piano Black door inserts can be added to complete the restrained sense of purpose.

SPECIFICATIONS

Body

- Four-door body style with tailgate and four individual seats
- Extruded aluminium bonded VH body structure
- Aluminium and composite body panels
- Extruded aluminium door side-impact beams
- Single bi-xenon headlamps with integrated LED side lights and direction indicators
- LED rear lamps and side repeaters

Engine

- All-alloy, quad overhead camshaft, 48-valve, 5935 cc V12
- Front mid-mounted engine, rear-wheel drive
- Fully catalysed stainless steel exhaust system with active bypass valves
- Compression ratio 11:1
- Max power 411 kW (560 PS/ 552 bhp) at 6650 rpm
- Max torque 630 Nm (465 lb ft) at 5500 rpm
- Acceleration 0-60 mph in 4.2 seconds; 0-100 km/h in 4.4 seconds
- Max speed 327 km/h (203 mph)

Fuel consumption

- Litres/100 km (mpg)
- Urban 19.5 (14.5)
- Extra urban 9.1 (31.0)
- Combined 12.9 (21.9)

North America Gas Mileage

- City 14 US mpg
- Highway 22 US mpg
- Combined 17 US mpg

CO2 emissions

- 300 g/km

Transmission

- Rear mid-mounted, ‘Touchtronic III’, eight-speed gearbox with electronic shift-by-wire control system
- Alloy torque tube with carbon fibre propeller shaft
- Limited-slip differential
- Final-drive ratio 2.73:1

Steering

- Rack and pinion, Servotronic speed-sensitive, power assisted steering,
- 3.0 turns lock-to-lock
- Column tilt and reach adjustment

Wheels and tyres

- 20” Multi-spoke alloy Silver painted wheels with diamond-turned finish
- Front Bridgestone Potenza 245/40 R20
- Rear Bridgestone Potenza 295/35 R20

Suspension

- Front Independent double wishbones incorporating anti-dive geometry, coil springs, anti-roll bar and monotube adaptive dampers
- Rear Independent double wishbones with anti-squat and anti-lift geometry, coil springs, anti-roll bar and monotube adaptive dampers
- 3-stage Adaptive Damping System (ADS) with Normal, Sport and Track modes

Brakes

- Front Dual-cast brake discs, 400 mm diameter with six-piston calipers
- Rear Dual-cast brake discs, 360 mm diameter with four-piston calipers
- 3-stage Dynamic Stability Control (DSC)
- Anti-lock Braking System (ABS)
- Electronic Brakeforce Distribution (EBD)
- Emergency Brake Assist (EBA)
- Traction Control (TC)
- Hydraulic Brake Assist (HBA)
- Positive Torque Control (PTC)
- Electronic Park Brake (EPB)

Weights and Dimensions

- Length 5019 mm (197.6”)
- Width 1929 mm (75.9”) excluding mirrors; 2140 mm (84.3”) including mirrors
- Height 1360 mm (53.5”)
- Wheelbase 2989 mm (117.7”)
- Fuel capacity 90.5 litres
- Weight 1990 kg (4387 lb)
- Weight Distribution 51%/49% (Front/Rear)

Standard Specification – Interior

- Full-grain Luxmill leather interior
- Walnut facia trim
- Iridium Silver centre console outer finish and Graphite inner finish
- Glass switches
- Auto-dimming interior rear-view mirror
- Auto-dimming interior rear-view mirror with garage door opener (USA and Canada only)¹
- Electrically operated front seats
- Memory front seats and exterior mirrors (three positions)
- Dual-stage driver and front passenger frontal airbags
- Front occupant side airbags
- Head protection airbags for front and rear occupants
- Heated front and rear seats
- Heated rear screen
- Automatic front and rear temperature control
- Organic Electroluminescent (OEL) displays
- LED map lamps and ambient lighting
- Trip computer
- Cruise control
- Powerfold exterior mirrors
- Front and rear parking sensors
- Tyre-pressure monitoring ¹
- Alarm and immobiliser
- Remote control central door locking and boot release
- Tracking device (UK only) ³
- Umbrella

In-car entertainment

- 1000-watt Bang & Olufsen BeoSound audio system with ICEpower® technology
- Hard Disk Drive (HDD) satellite navigation ^{1,2}
- 6.5” LCD Screen
- DAB radio ¹
- AM/FM radio ¹
- Integrated Apple iPod® and iPhone® connector (requires Apple-supplied Lightning adaptor for iPhone 5 compatibility) ⁴
- USB connector with Waveform Audio Format (WAF), Windows Media Player (WMA) and MPEG (MP3) audio file compatibility
- A2DP Bluetooth® audio
- 3.5 mm auxiliary input socket

Optional Equipment – Exterior

- Alternative brake caliper finish – black, red, silver or yellow
- Multi-spoke alloy wheels –
 - Graphite painted with diamond-turned finish
 - Gloss Black painted with diamond-turned finish
- 10-spoke forged alloy wheels -
 - Silver painted with diamond-turned finish
 - Satin Champagne painted with diamond-turned finish
- Carbon Exterior Pack
- Magnum Silver rear lamp infills
- Black textured tailpipe
- Delete protective film

Optional Equipment – Interior

- Alternative facia trim finishes: Mahogany, Walnut, Bamboo, Tamo Ash, carbon fibre
- Piano Black Pack
- Ice Mocha Pack
- Matching wood or Carbon fibre door trim
- Perforated leather door inserts
- Headrest embroidery – Aston Martin Wings or Rapide S logo
- Ventilated front and rear seats
- Full carbon fibre gearshift paddles
- Personalised sill plaques
- Colour-keyed steering wheel
- Twin-screen rear-seat entertainment system with six-disc DVD player, auxiliary input, wireless headphones and remote control
- Auto-dimming interior rear-view mirror with garage door opener (Europe only) ¹
- Alarm upgrade (volumetric and tilt sensor)
- Smokers’ pack (ashtray and cigar lighter)
- Second glass key
- Aston Martin tracking by Cobra ^{1,3,5}
- First aid kit

¹ Not available in all markets
² Includes Traffic Messaging Channel (TMC) in Continental Europe
³ Complies with UK Thatcham Category 5 requirements. Excludes subscription. Standard in UK

Premium, durable and easy to clean wool carpet overmats, edged in leather hide with a discreet embroidered Aston Martin logo. Available in a range of colours.

6. Boot mat

Premium boot mats featuring embroidered Aston Martin wings and leather-bound edges.

Q BY ASTON MARTIN

RAPIDE

AN ASTON MARTIN
THAT REFLECTS YOU...

Q by Aston Martin is our unique personalisation service, for an Aston Martin that truly reflects you. It can take you on a journey of inspiration through the world of art, design and craft, to distant lands or favourite places, soaking up the character of objects, materials, colours, and textures – translating them all into key elements of your own car. Q by Aston Martin is only bound by the limits of imagination. Welcome to your story, welcome to the world of Q.

WORKING WITH YOUR DEALERSHIP

EXPERT GUIDANCE, UNRIVALLED SERVICE.
YOUR OWNERSHIP EXPERIENCE STARTS HERE.

With 151 dealerships in 44 countries around the world, Aston Martin has a global presence to match its reputation as maker of some of the world’s most coveted and recognisable cars. All our showrooms and service centres reflect the prestige and exclusivity associated with the Aston Martin brand, ensuring your ownership experience begins as soon as you enter the showroom. Staffed by passionate, highly trained sales people and technicians, all your needs are catered for. From expert guidance through the specification and ordering process to the unique peace of mind that comes from having your cherished car meticulously maintained by skilled specialists, our dealerships are at your disposal.

Warranty

Your new Aston Martin is meticulously produced and as such benefits from a three year unlimited mileage Vehicle Warranty and a ten year unlimited mileage Anti Perforation Corrosion Warranty. During this period any necessary repairs would be carried out by approved technicians to the highest standard using only Genuine Parts. After three years Aston Martin offer an Extended Warranty for total peace of mind.*

Servicing

With an Aston Martin service you can be assured that your car is in the safest hands. Our approved service technicians are qualified to the highest standards and regularly receive training on new products and practices to ensure the very best service. Only Genuine Aston Martin Parts are used and all of our work comes with a 12 month warranty. Free checks for software and mechanical updates are included.

Accessories

Our range of genuine accessories has been carefully designed to complement, enhance and personalise your Aston Martin. Whatever your taste and choice, you are guaranteed superb craftsmanship and the attention to detail that only Aston Martin designers and engineers can deliver. Whether you want to bring your Aston Martin up-to-date, or simply impart a sense of your own personality and style, our range of interior and exterior updates for all current models will help you achieve it.

Parts

Every Aston Martin is a masterpiece, precision engineered to give you the ultimate driving experience. We are dedicated to preserving that unique sensation now and forever. That is why we supply over 70,000 Genuine Parts for models built between 1959 and the present day through our global network of Aston Martin Dealers. So whether you drive a DB5 or a DB9, your Aston Martin’s performance and dynamism can be timeless. All parts are covered by a 12-month warranty.

*Extended Warranty package differs by region, speak to your preferred Dealer for more information

ASTON MARTIN LIFE

When you become an Aston Martin owner, you acquire so much more than a fabulous car; you join a global family of passionate like-minded individuals, united by an appreciation of the inimitable style and inherent class that distinguishes an Aston Martin from any other car.

This passion is shared by all of us at Aston Martin. We are proud of our heritage and of the fact that more than 85% of all Aston Martins ever built are still in existence and being enjoyed by their owners. Above all, we want you to cherish driving your car and experience the Aston Martin family. To help achieve those aims we host a fabulous range of Aston Martin driving experiences and events around the world.

At these events, organised by your dealer or by Aston Martin, you will drive your or our cars, meet like-minded Aston Martin enthusiasts, and sample some of the finer things in life. Whether you crave the adrenalin rush of driving as fast as you dare around one of the world's great race circuits, long for the more leisurely delights of our luxury tours, or are intrigued by the novelty of powering around a special course carved into the snow and ice of an alpine resort, you can be sure of one thing: Aston Martin ownership is an experience like no other.

UNMISTAKABLE.
INIMITABLE.
IRRESISTIBLE.
THE ASTON MARTIN
RAPIDE S.

IMPORTANT NOTICE

Pictures and word mark

The cars illustrated in this brochure may include additional options not featured in this brochure or that are only available at extra cost. The Bluetooth word mark and logos are owned by the Bluetooth SIG Inc and any use of such marks is under licence.

Updates

Aston Martin Lagonda Limited is constantly seeking ways to improve the specification, design and production of its cars and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current products, options, accessories or specifications, nor does it constitute any offer for sale of any particular car, product, option, accessories and/or services or combination of the same.

This brochure is merely an indication of the kinds of Aston Martin products and services which may be available from time to time. The contents of this brochure represent Aston Martin Lagonda Limited’s business as a whole. Text and photographs may relate to models, specifications, options, accessories and/or services that are not available for sale in some countries or which have been superseded or are otherwise no longer available.

Performance results

Performance results, fuel consumption figures and CO2 emissions data quoted in this brochure are obtained under controlled test conditions (in accordance with applicable regulations) and may vary depending on the specification of the particular car, road and environmental conditions and driving style. Tyre choice may also impact on performance results, fuel consumption, CO2 emissions, ride comfort and handling.

Published figures should be used for comparison purposes only and verification should not be attempted on public roads. No guarantee is given express or implied of performance results, fuel consumption or CO2 emissions.

Aston Martin Lagonda Limited strongly urges that all speed laws be obeyed and that safety belts be worn at all times.

The weight of the car will influence the level of CO2 emitted and as a result, cars with higher levels of specification and factory fit options may emit higher levels of CO2. However, Vehicle Excise Duty is charged according to the weight of and CO2 emissions of the standard car, as published in this brochure.

All petrol engines are fitted with a catalytic converter.

Copyright and other intellectual property rights

This brochure and its contents are protected by various intellectual property rights, including without limitation, copyright, design rights and trademarks, that are owned or licensed by Aston Martin. You may not copy or use this brochure or any of its contents for any commercial purpose without our prior written consent.

Distributors and dealers

Distributors and dealers are not agents of Aston Martin Lagonda Limited and have absolutely no authority to bind Aston Martin Lagonda Limited by any express or implied undertaking or representation. Sales by dealers or agents are subject to their terms and conditions of sale.
