#### ACTECO Engine

Jointly developed by Chery and AVL of Austria, the ACTECO engine is made of lightweight materials resulting in improved fuel economy and radiation efficiency. It's perfectly equipped to power the TIGGO SUV in all driving conditions.

#### Cruise Control

Travel with comfort on the highways with TIGGO SUV's cruise control feature. It is programmed to automatically increase your vehicle's speed to your preferred cruising speed at a touch of a button for safe and leisure drive while having the option of maintaining full control of the vehicle.

#### Dual SRS Airbags

Fitted with twin airbags for the driver and co-driver, these air bags supplied by the world's largest auto safety component supplier, Sweden's Autoliv ensured your safety is never compromised with TIGGO SUV.

#### Audio System with MP3 and USB Support

Enjoy your drive with a music collection of your choice with our audio system supporting both MP3 & USB. A standard feature in the TIGGO SUV, you can now enjoy the convenience of MP3 format song together with excellent sound quality.
